Dear Dr. Chojnowski:

On behalf of the West Palm Beach VA Medical Center and Voluntary/Recreation Therapy Service, I would like to take this opportunity to express our appreciation to you and your students for the "Thank You" cards to honor our veterans.

The cards are distributed to those veterans who reside or visit our Medical Center and we thank you for your thoughtfulness and support of them. The Medical Center is grateful to have students that make a difference for our veterans.

Again, we wish to thank you for your compassionate interest in the hospitalized veterans' welfare and helping to make a difference in their lives.

If you have any questions or need additional information, please contact Voluntary/Recreation Therapy Service at (561) 422-7373.

Sincerely,

A handwritten signature in cursive script that reads "Mary C. Phillips".
